**Melissa Cromer is currently enrolled in the Physical Therapist Assistant (PTA) program at Santa Fe College. Prior to pursuing this degree, Melissa obtained her Bachelor of Science in Applied Physiology and Kinesiology with a specialization in Exercise Physiology.**

**Melissa began her gymnastics career at the age of 3. She competed statewide on the YMCA Aerials gymnastics team for almost 7 years until getting injured and deciding to go into dance. She danced for the YMCA's competitive team, North Central Elite, and local studios for a total of four years. After taking a few years away from the sport, she became a gymnastics coach at the YMCA. She coached the compulsory competitive team and traveled statewide for two years, until her focus turned to her school studies.**

**Melissa is super excited to get back into coaching and can't wait to share with the kids her knowledge and love for dance and gymnastics. She is looking forward to providing a safe, yet fun environment for the kids to grow!**
