

Ronke Phillips

Dance Instructor

Ronke Phillips graduated with a Bachelor's Degree in Biochemistry in the Spring of 2017 from the University of Florida. She is currently a 2nd year graduate student at the College of Pharmacy at the University of Florida. Ronke began taking dance classes at the age of 14 at a studio back in her hometown of Tampa, FL. She dabbled in styles such as jazz, tap, and hip hop but mainly focused in hip hop in later years. She auditioned and became a member of Anomaly Dance Crew, a hip hop dance crew, starting in Fall of 2013 and later went on to become a captain for three years. Ronke is excited to meet all dancers and get to know them and their families. She wants to provide a safe, exciting environment where the dancers can express themselves and continue to grow and foster their passion for dance.
